Always up-to-date: The presentation of the group of companies

Instructions for the Empower Library

From now on, you can find the latest version of the Group presentation exclusively in the Empower library directly in PowerPoint. To do this, follow the steps described below.

1. Run PowerPoint
2. Click on "Library" in the "Liebherr" tab
3. Open the folder "Corporate"
4. Here you can find the Group presentation in German, English, and French
5. Click on the folder or the arrow to find the individual presentations
6. Choose the desired presentation and click on "Open presentation" in the lower right-hand corner
